

Create a lasting legacy with Planned Giving to Lincoln Theater!

If you are passionate about history and the arts, if you love this community, and if you believe that individuals can make a lasting difference in the world, what better way to be remembered than to join the Lincoln Theater Legacy Society.

It's no secret that the future of Lincoln Theater depends upon the community's goodwill. As an anchor in our downtown's national historic district and a long-standing community treasure, the Lincoln Theater must sustain its legacy as a Main Street nexus for arts and entertainment for generations to come.

We invite you to create your own legacy by becoming a member of the **Lincoln Theater Legacy Society**. Through the Legacy Society Lincoln Theater recognizes thoughtful and generous individuals who make provisions for the theater through their wills or estate plans. Provisions can be made for your loved ones, and they can also serve other purposes for the greater good. These legacy gifts can be a way of advancing ideals and values, continuing worthwhile traditions, and extending one's generosity to a wider group of beneficiaries. Through charitable estate planning, you and your family can support the Lincoln Theater while receiving financial and philanthropic benefits in ways that are consistent with your own financial goals laying the foundation for future generations of Lincoln Theater lovers, and a permanent remembrance for each planned-gift donor.

A planned gift to Lincoln Theater helps enrich the cultural life of Maine, keeps Damariscotta's downtown lively, and, through time, will bring joy to the lives of thousands. In addition, you will be making an eloquent and lasting personal statement - that the arts and historic preservation matter.

There are a number of ways to go about making a planned gift. These include, but are not limited to:

- Bequests through your will/trust
- Gifts of Retirement-Plan Benefits
- Gifts of Life Insurance Policies, and
- Charitable Trusts

The most important thing when considering Planned Giving is that you do what is right for you. You may wish to consult your lawyer or tax advisor so they may assist you in deciding what is best for you and your wishes.

When you join the Legacy Society, you demonstrate your commitment to sustaining a key community and cultural asset. Please let us know if you have already included the Lincoln Theater in your estate plans so that we may invite you to join the Lincoln Theater Legacy Society. We would like to recognize your generosity and thank you for your support, and we hope your gift will inspire others to make a similar commitment to the future of Lincoln Theater.
